He....

Ah

Ah

There is a love, I found in you
And it's above, the joy I knew
You give to me, the love you feel
Seems like a dream, but say it's real

My my, so right
What you're giving me
What you're trying to make me feel
My my, so right
What you're giving me
What you're want to make me feel

He....

You're in my heart, I'm feeling good
You fill the part, I keep for you
Take me away, to where angels fly
Say that you'll stay, for the rest of time

My my, so right
What you're giving me
What you're trying make me feel
My my, so right
What you're giving me
What you're want to make me feel

Eh eh, eh eh - ah

There is a love, I found in you
Oh such a love, so beautiful, oh yeah
Take me away, to where angels fly
Say that you'll stay, for the time

My my, so right
What you're giving me
What you're trying make me feel
My my, so right..
What you're giving me

What you're want to make me feel

He....

What you're trying make me feel

He....

Ah
