Oh-oh-oh-oh-oh...ooh yeah  
I've got something to remember  
I can't let it slip away  
In my mind, through my eyes  
Got to get you in my life

And where will I be tomorrow  
I've been searching you for so long

Oh every day, you fly away, your feet don't touch the  
ground  
And every day, I see your face, bring your love around  
Please stay with me, and you will see, just how love can  
grow  
Oh every day, I see your face, I'll never be alone again

Oh baby, oh-oh-oh yeah

And the qualities inside you, will you let them shine on  
me  
You make me feel, so unreal, like I'm living in a tree

And where will I be tomorrow  
I've been searching you for so long

Oh every day, you fly away, your feet don't touch the  
ground  
And every day, I see your face, bring your love around  
Please stay with me, and you will see, just how love can  
grow  
Oh every day, I see your face, I'll never be alone again

And where will I be tomorrow  
I've been searching you for so long

Oh every day, you fly away, your feet don't touch the  
ground

And every day, I see your face, bring your love around  
Please stay with me, and you will see, just how love can  
grow  
Oh every day, I see your face, I'll never never never be  
alone

Oh every day, you fly away, your feet don't touch the  
ground  
And every day, I see your face (oh yeah-yeah).....
