Now if I stop to hear you say those words.  
I would be just wasting time.  
Because I know that they'll be thrown to  
the winds.  
Made for anybody's feelings but mine.

So open your eyes boy.  
Can't you see me.  
I've lifted my head up from the ground,  
And there's a new force that's  
grown  
inside of me  
It tells me I don't wanna be around.

No doubt, no not a doubt, no doubt.  
Love's out, no place for that, no doubt.  
I feel that I have changed,  
And that's what it's all about.  
No I don't have a doubt, no doubt.

Now if I stop to hear you say those words.  
I would be just wasting time.  
Because I know that they'll be thrown to  
the winds.  
Made for anybody's feelings but mine.

So don't you dare say that you love me.  
I've seen that face so many times.  
You're false emotions sail above me,  
And I've had enough of your lies.

No doubt, no not a doubt, no doubt.  
Love's out, no place for that, no doubt.  
I feel that I have changed,  
And that's what it's all about.  
No I don't have a doubt, no doubt.

I feel that love is out,  
and I don't have a doubt.

(miss me... miss me... miss me...)
