I got no tears to cry  
There's nothing to hide  
No tears to cry  
No empty  
No, no emptiness

Na na na hey-a hey-a hey-a hey  
Na na na hey-a hey-a hey-a hey

You and me  
Oh, well you know you can't forget it  
My congratulations  
And now that you're free  
And that's exactly what you wanted  
Now the story's over

O-o-o gotta have a little faith  
O-o-o

Oh, I got no tears to cry  
I got no head in pain or loneliness  
There's nothing to hide  
No tears to cry  
No empty  
No, no emptiness

You and me  
Oh, It's the love that I ain't missing  
I have must been feeling  
Down, I can see  
I need to change but I'm loving  
No more run for cover

Oh, I got no tears to cry  
I got no head in pain or loneliness  
There's nothing to hide  
No tears to cry  
No empty  
No, no emptiness

No tears to cry

No tears to cry  
Got no pain or loneliness
