Oh-oh-oh-oh-oh...ooh yeah  
I've got something to remember  
I can't let it slip away  
In my eyes, in my mind  
Oh this moment's got to stay

Will you still be here tomorrow  
I've been wanting this for so long

So tenderly, you came to me, and loved me from the  
start  
Oh tenderly, you made me see, the places on your  
heart  
You turned around, when I was down, and let your  
feelings grow  
And tenderly, if you're with me, I'll never be alone yeah

Oh baby, oh-oh-oh yeah

And the qualities inside you, will you let 'em shine on  
me  
I feel a smile, deep inside  
Let it last eternity

Will you still be here tomorrow  
I've been wanting this for so long

Oh tenderly - (so tenderly)  
You turned around  
I was down  
So tenderly  
Oh tenderly - (oh-oh no)  
You turned around  
(never, no never be alone)

I was down  
So tenderly  
Oh tenderly - (no no no tenderly)  
You turned around  
I was down - (loved me from the start).....
