## "Through The Night"

You know that you can ask anything  
There's nothing I refuse for you  
Just say that through the night, you're here to hold me  
tight  
I need you here, to touch you dear

I'm like a selfish child with you  
I need to feel emotion new  
God know's I've travelled far  
To be right where you are  
So hold me tight all through the night

So hold me tight all through the night

So I needed love and I needed more  
Lookin' all over and it's at my door  
Now this emotion that I can't deny  
Love that you give that keeps me alive

I needed love and I needed more  
Lookin' all over and it's at my door  
Now you're the only light all through the ni-i-i-i-ight

It's only a love song... It's only a love song....

Take me through the ni-i-i-i-ight

Through the night  
Through the night  
T-h-r-o-u-g-h t-h-e n-i-g-h-t

So hold me tight  
All through the night

And now I'll never hide my fa-fa-fa-face....

So I needed love and I needed more  
Lookin' all over and it's at my door  
Now this emotion that I can't deny  
Love that you give that keeps me alive

I needed love and I needed more

Lookin' all over and it's at my door  
Now you're the only light all through the ni-i-i-i-ight

It's only a love song... It's only a love song...

Take me through the ni-i-i-i-ight
