Nananana
Nananana
Nananana
Keep listening cos you can pass the night

You'll be fine if you close your mind
Look around, open up your eyes
Make a smile and the sun will shine
Cos tomorrow is another day

Nananana - Keep hoping
Nananana - Keep wishing
Nananana - Keep listening
Baby you can pass the night
Baby you can pass the night

If I'm here and I'm by myself
And I don't want nobody else
It doesn't mean I'm in loneliness
Tomorrow everything is well

Nananana - Keep hoping
Nananana - Keep wishing
Nananana - Keep listening
Baby you can pass the night
Tomorrow is another day
Tomorrow is another day

Take example from what I do
Free your mind, yes it's up to you
Come on once more, you're sailing on through
Baby you can pass the night

Nananana
Nananana
Nananana
Keep listening
Baby tomorrow everything is well

Nananana, you'll be fine if you close your mind
Nananana, look around, open up your eyes
Nananana, make a smile and the sun will shine

Tomorrow is another day
Nananana, nananana
Nananana, nananana
Nananana, baby you can pass the night
Nananana, nanananay yeah
Nananana, oh yeah, Oh yeah
Nananana, nanananay yeah
Baby you can pass the night
