Welcome to fun
Welcome to fun
Once came into my life
A magical world, a fantasy world
That I didn't know
The everyday noises
Had faded to silence
The special desires came to life
It's going to be, the ultimate dream
This fantasy life that stole me away
I gotta be patient, I gotta hold on
'Til I can take you to this land of fun
All I want tonight is to find me a way
Is to give me a reason to steer you away
Let reality out of your mind
Put a fantasy into your life
All I need tonight is to take you a way
Is to tell you I love you more than I can say
And to bring your dreams out into the light
Light the lovely light...
Welcome to fun
Welcome to fun - oh-wo-oh
Welcome to fun - oh-wo-oh
Welcome to fun - hey yeah
Welcome to fun
Hey yeah yeah
Welcome to fun - oh yeah
Oh oh oh oh
Once came into my life
A magical world but what I was listening
I didn't know
The everyday noises had faded to silence
Special desires filled my world
All I need tonight is to take you away
Is to tell you I love you more than I can say
And to bring your dreams out into the light
Light the lovely light
Welcome to fun
Welcome to fun - oh-wo-oh
Welcome to fun - oh-wo-oh
Welcome to fun - hey yeah
Welcome to fun

Welcome to fun
Welcome to fun
