Why, when I'm far from you
Do I miss you by my side
It can't be true

Hey, is it really me
Thinking of you all the time
Just you...

Maybe simple friend is over
Put your head up on my shoulder

What've we done for love
Here we are
What am I thinking of
So far

What've we done for love
Night and day
How can I feel enough
My friends are

Why, when you go away
I wonder if you love me
Oh say you do

Hey, can we be appart
If that's what we really feel
Let's do...

Maybe simple friend is over
Put your head up on my shoulder
What've we done for love
Night and day
How can I feel enough
My friends are

What've we done for love - here we are
What am I thinking of - so far
What've we done for love - night and day
How can I feel enough - my friends are

O-o-o-h-h b-a-b-y

Maybe simple friend is over
Put your head up on my shoulder

Oh-oh

What've we done for love
Aaaaaahhhh

What've we done for love - night and day yeah
My friends are

When you're far away (what've we done for love)
Every night and day (what've we done for love)...
