Now which one of y'all freaks wanna get down

with the biggest nigga in town the world renowned

You can meet me downtown in the lobby

walkin' past niggas that's dry as the Mojave (unnnngh)

step into the elevator push the Penthouse (what)

Smell the smoke in the hall we gettin' bent out

we just sent out for room service

Why you actin' cool & yo' cousin lookin' nervous

Bullshit conversation 'bout yo' occupation

here we go with this mandantory time wastin'

My nigga Master P is in Suite 23 doin' hella shit

(unnnngh)

to ya relative

In the ghetto we turnin' fine hoes into petals

hands on our metals never have to fetch hoes

they come runnin' with they fans & they best clothes

to get stuck by the nigga with the million bucks

I won't lie and say I had a million fucks

I tell you what 'cause I get 'em then I share 'em

I get my ham fucked up then I ? 'em

Cause I'm a hoe you know I'm a hoe

I fuck three different bitches after every show

Cause I'm a hoe you know I'm a hoe

How do you know because I told ya so
