You keep saying you've got something for me
Something you call love, but confess
You've been messin' where you shouldn't have been a-
messin'
And now someone else is gettin' all the best
These boots are made for walking, and that's just what
they'll do
One of these days these boots are gonna walk all over
you

You keep lying, when you oughta be truthin'
You keep losin' when you oughta not bet
You keep samin' when you oughta be a-changin'
And what's right is right, but you ain't been right yet
These boots are made for walking, and that's just what
they'll do
One of these days these boots are gonna walk all over
you
