I love cheetos
they're really, really neat
they're a snack I really like to eat
the cheese powder
always lingers
on the end of my fingers

(chorus)
I love cheetos
I love cheetos
they're so crunchy and munchy
I love cheetos

Some say I'm crazy
others think insane
but I think that they're all lame
It sounds crazy
and farfetched, I know
but I think it might be love

(chorus)
I love cheetos
I love cheetos
they're so crunchy and munchy
I love cheetos

crunchy munchy
round and mellow
powder cheesy
round and yellow
