Visit "[Tuesday Morning](#)" on [MotoLyrics.com](#)

Too many sad days
Too many Tuesday mornings
I thought of you today
I wished it was yesterday morning
I thought of you today
I dreamt you were dressed in mourning

CHORUS

But I knew that you
With your heart beating
And your eyes shining
Would be dreaming of me
Lying with you
On a Tuesday morning

I fell through the window
And I found that I was still breathing
I thought of tomorrow
And the fear that you might leave me
I thought of tomorrow
And I wished it was Monday morning

CHORUS

Turn your face from me
And I will cover myself with sorrow
Bring hell down upon me
I will surrender my heart to sorrow
Bring hell down upon me
And I will say goodbye tomorrow

CHORUS
