DESTROYER

He spent his life

A silent sentinel

For all to fear

He walks, he talks, he thinks, he feels,

But no one dare go near

He takes in all he sees

Nothing escapes his gaze

And when he strikes

He strikes for right

A glorious sight

Destroyer, Destroyer, Destroyer

He's in town

He came to be

From a grand mistake

A mystical charade

Created to decide the good

And bring repercussive aid

As awareness filled his fame

He examined those who leered

Then he cleaved the air

With his fiery stare
Rend all those there
Destroyer, Destroyer, Destroyer
He's in town
Destroyer, Destroyer, Destroyer
He's in town
A day will come
You'll be drawn into
The center of your town
And come upon a mass of steel
That cracks the very ground
Prepare to meet your judge
Don't think to run away
Just pray your face
Holds no disgrace
For the deadly ace
Destroyer, Destroyer, Destroyer
He's in town
Destroyer, Destroyer, Destroyer
Oh he's in town
Yeah, he's in town
You better stay out of his fuckin' way
He's gonna kick your ass
Destroyer
Destroyer
