Oh no, that girl
She's lookin' so fine
I know she knows
What she's doin' to my mind
Ooh, does she know
That I'm wanting her so
Well, there's one thing I know
I can never let her go
Talkin' 'bout my hot love
You're making me crazy
Hot love, you're making me bad
Hot love, you're making me crazy
Think I'll go mad
So cool, no fool
She's headin' for me
Can't run, can't hide
She's in everything I see
Ooh, what will I say
Should I pass, should I play
But my feet turn to clay
Cause she's blowin' me away

Talkin' 'bout my hot love
You're making me crazy
Hot love, you're making me bad
Hot love, you're making me crazy
Think I'll go mad
Talkin' 'bout my hot love
You're making me crazy
Hot love, you're making me bad
Hot love, you're making me crazy
Think I'll go mad
Hot love, you're making me crazy
Hot love, you're making me bad
Hot love, you're making me crazy
Think I'll go mad (think I'll go mad)
Talkin' 'bout my hot love
Think I'll go mad, whoa
Talkin' 'bout my hot love, ooh
Think I'll go mad, yeah yeah
