Whoa! Alright

I'm not bad, I'm damn good

But I admit I don't do all I should

I don't kill, I don't steal

Well, maybe only when I need a meal

All I'm saying's true but there's one thing that I do

And I just can't explain it, there's no way to restrain it

If I quit the rest I still couldn't pass the test

Cause I could not give up this one last thing

I got one bad habit (one bad habit)

I like to rock'n'roll

I got one bad habit (one bad habit)

I like to rock'n'roll

I'm not mean, I'm not rude

But just don't make me lose my patience dude

I don't curse, well just a bit

Somehow "gee whiz" and "golly" don't make it

Still they say I'm bad from the preachers to my dad

Cause I can't give up this feelin', it's just so damn
appealin'

If they have their way I won't last another day

No matter how I try I can't stop this thing

I got one bad habit (one bad habit)

I like to rock'n'roll

I got one bad habit (one bad habit)

I like to rock'n'roll

I like to rock'n'roll!

And if they find one day that it eats your mind away

That won't change the way I'm feelin', don't need that
kind of healin'

There's nothin' else I crave, so I'd trade the life I'd save

For my rock'n'roll, now come on and sing

I got one bad habit (one bad habit)

I like to rock'n'roll

I got one bad habit (one bad habit)

I like to rock'n'roll

I got one bad habit (one bad habit)

I like to rock'n'roll

I got one bad habit (one bad habit)

I like to rock'n'roll
