lyrics and music by brandon fleming

additional lyrics provided by blair a. armfield

how could you do this to me?

I thought that simplicity was the glue that held us  
together

how could you do and say the things you've said and  
done

I've always thought that we'd be forever.

I will never let you go, I need you

you've taken me from down to up, I love you

and it all just seems like a bunch of wasted time to you

but I will never let you go. My friend

( 4-2-9 )

blind to feelings of selfishness, haunts me in my  
dreams

blind to the things, that come from you

blind to the things, the things that come

the jagged edges of your black heart pierce my soul  
into pieces

A breath of truth could mend the wounds

the scars begin to undo the present-absence of you

blind to feelings of selfishness, haunts me in my  
dreams

blind to the things, that come from you

blind to the things,â€¦ the things that come

( repeat )

you think you can play your innocence to the end, but it  
won't work

you think you can play your innocence to the end, but it  
won't work

you think you can play your innocence to the end, but it  
won't work

(guitar lead)â€¦.I STILL FORGIVE YOU!

blind to feelings of selfishness, haunts me in my  
dreams

blind to the things, that come from you

blind to the things,â€¦ the things that come

( repeat instrumental
