lyrics and music by brandon fleming

took a tree, and made my cross

you came & took away my shame

all the people hated you

why'd you take my place?

please take that cross and burn it down

the soles of your feet touch the ground

day by day you show me your love

this journey through life, tell me why

why do we all have to make mistakes?

oh God, I just want to be more like you

you took my life that day on the cross

you made me whole, renewed my soul

every new day again

you do miracles for me,

you are the only one

you love me unconditionally,

you are his one true son

you're always there to hear my calls

you listen to me, in my time of pain! you are lord!

Comfort, love, peace, and purity

covered with your blood, the devil can't come near me

savior of mine, who dwells inside

JESUS, hear me, I love you!

you are lord of my life, I am your bride

we'll be an eternity, yes you and me

I'll love you forever, your love I feel the same

be master of my life, it will never be in vein
