lyrics and music by brandon fleming

rape me, when I do not know a thing

you try to take me, take me down with you

you should love me, when I don't love you

but you hate me, when I hate you

why do you to me when I am confused?

why with my life you choose to toy with and abuse?

Fight me, to the bitter end

jealous little you, you want all I've got

you're getting greedy.. feeling needy

lack of love has got you here

you've listened to Mr. Manson and kids called Hanson..

all you've got is nothing

why do you to me when I am confused?

why with my life you choose to toy with and abuse?

why do you to me when I am confused?

why with my life you choose to toy with and abuse?

Let's turn this around pointed at hope,

something you'll never find in dope

why do you do the things you do? you should be dead

little just wasn't enough

then you saw the light at the end of a barrel of a gun
to hell with life the way you are going
never showing any future of your own
cause you always take the time.. .. to
rape me, cause you just don't care
I hated you, because you told me you loved me
you cut me, when I gave you the knife
when i gave you my life
when I gave up my life to you the fallen 5tar
