A.K.A. All American Holocaust

lyrics and music by Brandon Fleming

[in memory of all the babies who died because of our
lack of care]

anti-husband, anti-wife

why you gotta be so anti-life

take that knife and cut my throat

no future or plan, you're anti-hope

(repeat)

you hated me before i was born

a lack of brains, my flesh was torn!

Memories have long since gone

you're anti-me, so now i'm gone.

you make me, brake me, & kick me down.

murder me, and in a box I'm thrown to the ground.

(repeat)

there is a hole in your soul

I love you anyway

hope someday you see what you've done to me

your little baby

you make me, brake me, & kick me down.

murder me, and in a box I'm thrown to the ground

(repeat x3)

there is a hole in your head

and now I'm dead

nothing to say for yourself

get God he is your help

there is a hole in your head

now I am dead

you've got nothing to say

so get God he's the helper of helpers

void, void, void, you tormented me!

void!, void!, void!, you tormented me!

you make me brake me & kick me down

murder me and in a box i'm thrown to the ground

(repeat x3
