lyrics by Brandon Fleming music by sisterpete

You hung yourself before they ever to tie the rope

You ruined yourself before society got to make you
their whore

You've made up excuses

Slipknots have now tied your nooses

You are down on yourself with every good intention

Self mutilation, You were just trying to fit in, you didn't
fit!

Abomination laid you out to subdue you

You've made up excuses

Slipknots have now tied your nooses

You are down on yourself with every good intention,

Every good intention

You've made up excuses

Slipknots have now tied your nooses

You are down and depressed with every good
intention, Every good intention

(Repeat)

Jesus is your solution

Jesus is your resolution

Jesus is your solution

Because of every good intention deserves a solution

You've made up excuses

Slipknots have now tied your nooses

You are down on yourself with every good intention,
Every good intention

You've made up excuses

Slipknots have now tied your nooses-now you're down
by your choice to lose

You are down and depressed with every good
intention, Every good intention
