lyrics by Brandon Fleming music by sisterpete

hold me up to the light

let me go

take me away

from this place

give me wings

like a butterfly

give me life and patience

I don't want to die

i don't want to die, i need life

wrap me in angel wings

alienate me

wrap me tight don't let me go, i won't let you

burn my selfishness away

wipe away my tears

chase them all away

chase my fears away from me

wrap me in angel wings

alienate me

wrap me tight don't let me go, i won't let you

no don't go

don't let me go (repeat) no

please don't let me go

no, i don't want to be left alone

god now i fear

i am flying so low today
