lyrics and music by Brandon Fleming

A.K.A.speak to me not (voice of a martyr)

you can burn me, harass me, & beat me down

but you can't take my salvation

tie me up and cut my breathing

you can't take love from me

i'm a freak so speak to me not

cause it's not my fault you're abusive

please don't try to tell me why, tell me why

cause it's not me you're dealing with

hang me from a tree -rusty ol' bones

i'll accuse you of complacency

your manipulation comes in the night

but i tell you this, you will not win this fight

i'm a freak so speak to me not

cause it's not my fault you're abusive

please don't try to tell me why, tell me why

cause it's not me you're dealing with

i'm a freak so speak to me not

cause it's not my fault you're abusive

please don't try to tell me why, tell me why

pain in you is illusive
you want me to fall apart
you tear from limb to limb
but you'll never see the fade of my faith
to the chosen race --condescending
everyone says i'm crazy
i'm in love with the lord
i'm a freak in tattered skin
but my god is worth a lot more
speak to me not x 3
I am a voiceless martyr ... I'm a FREAK
