Everybody falls off the track
There ain't one road, there ain't one map, come on
Keep the light on

Been gone so long, my jeans are faded
I've seen this world man, it's over rated, come on
Yeah baby, keep the light on

'Cause I'm coming home tonight
Yeah, I'm coming home tonight

Put on that dress, the red one I gave you
Let's spend all night, getting reacquainted, come on
Yeah baby, keep the light on

Call the boys, tell 'em all I'm coming
Save my seat, get that jukebox humming, come on
Yeah baby, keep the light on

'Cause I'm coming home tonight
Yeah, I'm coming home tonight

Well, now is the time, let's take a chance
Let's take the world by the seat of its pants
Let's make some noise, let's make it last
Just give me a sign baby, keep the light on

Well, shake the stands and wake the stadium
I'm rounding third and I'm coming home, come on
Baby, baby, keep the light on

Well, call my folks and call the papers
I'm on my way and this time I'm staying, come on
Baby, baby, keep the light on

'Cause I'm coming home tonight
Yeah, I'm coming home tonight

Well, now is the time, let's take a chance
Let's take the world by the seat of its pants
Let's make some noise, let's make it last
Just give me a sign baby, keep the light on

So let's take it as we go
Lay in the green grass, watch it grow
Let's dance close, nice and slow
Cheek to cheek and toe to toe

Make angels in the snow
We're doing it all when I get home
So baby, baby, baby, keep the light on
