So far, so fun, the cops done run us off of the DQ lot
We burned a tank up, dang near drank up all the beer
we bought
The trucks done covered up in mud, can?t see a drop
of paint
Down to three dollars, Lord a whole lotta hell?s already
been raised

But the night ain?t over yet
There?s a whole lotta moonlight left
To do things we might regret tomorrow morning
You?d think it?s crazy as it?s gonna get
But the night ain?t over yet

Tore up the town, already closed down, two or three
honky tonks
Bill fought the wrong guy, left with a black eye, we had
to pull him off
Talked Beth and Sue out of their daisy dukes and into a
skinny dip
We'd be worn out but we?re just about to catch our
second wind

But the night ain?t over yet
There?s a whole lotta moonlight left
To do things we might regret tomorrow morning
You?d think it?s crazy as it?s gonna get
But the night ain?t over yet

First one yawning, they?ll be walking
We ain?t stopping till sunrise so hold on tight

The night ain?t over yet
There?s a whole lotta moonlight left
To do things we might regret tomorrow morning

Ain?t no bail been made, no rights been read
Tammy?s still got her top on her Corvette
It ain't got crazy as it?s gonna get
Well, the night ain?t over, night ain?t over
Night ain?t over yet, oh yeah
