Dj Havana Brown, are you crazy
Havana, I heard you had a question now
Talk to 'em
Lets go
Thicker than a Magnum, ace of spades
Strong light, we could play charades
My pants are keepin' these bananas
Clips shoot for days
Lets go, gi, gi, gi gimme
Lets go, gi, gi, gi gimme
Lets go, gi, gi, gi gimme
Wha?
That big, fat
I'm goin' out tonight, got locked down
I don't wanna fight
I'm a hot girl, I have a right
Have a right, have a right
Kill a guy hard
I'mma call you bruised
Feel dropped out and
I'mma call you cruise
Beat it up up up
Pop the juice
Pop the juice
Pop the juice
Big ba-na-nana, uh na-na-nana
Big ba-na-nana, uh na-na-nana
Big ba-na-nana, uh na-na-nana
Big ba-na-nana, uh na-na-nana
If you want that
Baby I got it
Gi, gi, gi gimme
Gi, gi, gi gimme
Gi, gi, gi gimme
That big, fat
Shit don't matter, black or white
Lemme see that uh, don't cut the light
Let em' all bark
I love to bite
Love to bite
Love to bite

Getting tipsy then getting loose
I got the vodka, got the juice
Beat it up up up
Pop the juice
Pop the juice
Pop the juice
Big ba-na-nana, uh na-na-nana
Big ba-na-nana, uh na-na-nana
Big ba-na-nana, uh na-na-nana
Big ba-na-nana, uh na-na-nana
Big ba-na-nana, uh na-na-nana
Big ba-na-nana, uh na-na-nana
Big ba-na-nana, uh na-na-nana
Big ba-na-nana, uh na-na-nana
Big ba-na-nana, uh na-na-nana
Do you have a big banana?
If you want that, baby I got it
Gi, gi, gi gimme, lets go
Gi, gi, gi gimme, lets go
Gi, gi, gi gimme, lets go
That big, fat
Lets go, gi, gi, gi gimme
Lets go, gi, gi, gi gimme
Lets go, gi, gi, gi gimme
Lets go
That big, fat
Lets go
Go, she don't know
Underneath the belt
And the polo
Bigger than the trunk
On the volvo
Automat black
With the rolls gone
Lets go
Go, she don't know
Underneath the belt
And the polo
Bigger than the trunk
On the volvo
Automat black
With the rolls gone
