she's got diamonds in her eyes  
that she likes to hide  
seek and you will find  
the hide and seeking kind

she's got rings  
wrapped around her precious things  
and what the day brings  
oh, it's no surprise

don't you ask me how I'm doing  
when everything I do says missing you  
don't you ask me how I'm doing  
when everything I do, when everything I do  
when everything I do says I miss you

she's diamonds in her eyes  
that she likes to hide  
seek and you will find  
the hide and seeking kind

she's got rings  
wrapped around her precious things  
what the day brings  
oh, it's no surprise  
don't you ask me how I'm doing  
when everything I do says missing you  
don't you ask me how I'm doing  
when everything I do, when everything I do  
when everything I do says I miss you
