You feel sad 'cause I got mad  
And I'm sorry, I'm sorry  
Things I said made things seem bad  
But don't worry

'Cause it's gonna be alright now  
It'll be okay  
You know I just don't think  
Before I speak

I've been looking for to find  
Something to believe in my mind  
And I thought it was you

All this time since you've been mine  
I've been angry, so angry  
Made it known I could make it alone  
But I'm changing

And I'm gonna be alright now  
Be okay  
You know I just woke up  
And I see the way

Don't give up on me so fast  
I see it's me that's wrong at last  
Give me another chance

It's so hard just to stay alive each day  
I really can't go on this way, oh no, oh no

Hey, hey  
Hey, hey  
Hey, hey

Don't give up on me so fast  
I see it's the end, it's wrong at last  
Give me another chance
