[intro:Raafat]

candy shop

so seductive

i'll take you to the candy shop

i'll let you lick the lollipop

go head girl, don't you stop

keep going till you hit the spot (woah)

i'll take you to the candy shop

boy one taste of what i got

i'll have you spending all you got

keep going till you hit the spot (woah)

[verse 1:Raafat]

you can have it your way, how do you want it

you gon' back that things up or should i push up on it

temperature rising , okay lets go to the next level

Dance floor jam packed , hot as a teakettle

i'll break it down for you now , baby it's simple

if you be a nympho, i'll be a nympho

in the hotel or in the back of the rental

on the beach or in the park, it's whatever you into

Got the magic stick, i'm the love doctor

Have your friends teasing you 'bout how sprung I

gotcha

Wanna show me how you work it baby, no problem

Get on top then get to bouncing round like a low rider

I'm a seasons vet when it come to this shit

After you work up a sweat you can play with the stick

I'm trying to explain baby the best way i can

I melt in your mouth girl , not in your hand (ha ha)

[chorus]

[bridge: Raafat & olivia]

Girl what we do

and where we do

the things we do

are just between me and you (oh yeah)

[verse 2:Raafat]

give it to me baby , nice and slow

Climb on top , ride like you in the rodeo

you ain't never heard a sound like this before

Cause I ain't never put it down like this before

Soon as I come through the door she get to pulling on

my zipper
it's like it's a race who can get undressed quicker
Isn't ironic how erotic it is to watch em in thongs
Had me things 'bout that ass after i'm gone
I touch the right spot at the right time
Lights on or lights off, she like it from behind
So seductive, you should see the way she wind
Her hips in slow-mo on the floor when we grind
As long as she ain't stopping, homie I ain't stopping
Dripping wet with sweat man it's on and popping
All my champagne campaign, bottle after bottle it's on
and we gon' sip 'til every bubble in every bottle is gone
[chorus 2x
