And the beat goes on  
Just like my love everlasting  
And the beat goes on  
Still moving strong on and on

Do you ever wonder  
That to win, somebody's got to lose  
I might as well get over the blues  
Just like fishing in the ocean  
There'll always be someone new

You did me wrong  
'Cause I've been through stormy weather

And the beat goes on  
Just like my love everlasting  
And the beat goes on, you'd better believe it  
Still moving strong on and on

Don't stop for nobody  
This time I'll keep my feet on solid ground  
Now I understand myself when I'm down  
Like the sweet sound of hip music  
There'll always be something new

To keep the tables turning  
Hey this super song  
There'll never be an ending

And the beat goes on  
Just like my love everlasting  
And the beat goes on  
Still moving strong on and on

The beat goes on  
The beat goes on  
The beat goes on

The beat goes on  
The beat goes on  
The beat goes on

Get down playing that fee  
Sure the beat is real  
The beat goes on

And the beat goes on  
Just like my love everlasting  
And the beat goes on  
Still moving strong

And the beat goes on  
Just like my love everlasting  
And the beat goes on  
Still moving strong

And the beat goes on  
Just like my love, just like my love everlasting  
And the beat goes on  
Still moving strong

The beat goes on  
The beat goes on  
The beat goes on

The beat goes on  
The beat goes on  
The beat goes on

The beat goes on  
The beat goes on  
The beat goes on

The beat goes on  
The beat goes on  
The beat goes on

And the beat goes on  
Just like my love everlasting  
And the beat goes on  
Still moving strong

And the beat goes on  
Just like my love everlasting  
And the beat goes on  
Still moving strong

And the beat goes on  
Just like my love everlasting  
And the beat goes on
