Sitting all alone, sitting all alone
As I sit here thinking of you, and
of the wonderful love we once knew
Even though you've gone away,
my heart has gone with you
And as I sit here, sit here, sit here, a tear begins to fall,
as i think of how you loved me, yea most of
all, even though you've gone away, my heart has gone
with you...
I can see your face in all of my dreams
And the way you smiled at me that day when you left
that day
but even though you've hurt me, you hurt me so
I'll still take you back anyway,
And as I sit here thinking of you and of the wonderful,
the wonderful love we once knew,
I keep hoping that you are thinking of me too,
Sitting all alone, sitting all alone
