CAN WE TALK

Last night I  
I saw you standing  
I started  
Started pretending  
I knew you  
You knew me too

And just like a Roni you were too shy  
But you weren't the only one, so was I  
And I dreamed of you ever since  
Now, I build up my confidence  
Ohh, next  
Next time you come my way  
I'll know just what to say

Can we talk for a minute?  
Girl I want to know your name  
Can we talk for a minute?  
Girl I want to know your name

I started to write you letters  
But I wanted to be more clever  
I wanted to get down and sweet talk you  
Hey, baby  
But just like a baby I could not talk

And I tried to come closer  
But could not walk  
And I think of it every night  
How I just could not get it right  
Oh, if we ever come close again  
I know what I'll say then

Can we talk for a minute?  
Girl I want to know your name  
Can we talk for a minute?  
Girl I want to know your name

Oh, girl  
One more chance

With you again  
I will not let it go  
Oh, ooh please  
Give me just one more chance  
For love, love, love, love

Can we talk for a minute?  
Girl I want to know your name  
Can we talk for a minute?  
Girl I want to know your name

Can we talk for a minute?  
Girl I want to know your name  
Can we talk for a minute?  
Girl I want to know your name

Can we talk for a minute?  
Girl I want to know your name  
Can we talk for a minute?  
Girl I want to know your name
