(Heartbeat)  
Get on down  
Heartbeat  
Come on, do it  
Hey, Hey  
Come on down

Oh, all the people  
Get up (get up) Get outta your seat  
Everybody mingle  
Come on and dance to the beat  
Grab yourself a partner  
Nice, get them outta their seat  
Everybody stay free  
Dance to the beat, just dance  
Everybody dance oh

One for the money  
(Two for the show) Well Well  
Let yourself go now come on  
One for the money  
(Two for the show) Come on now  
Three to get ready, let yourself go go go  
Get on down Heeeeyyyyyyy

My life is precious, music will suit my soul  
Everybody's proving it  
Don't count on your own  
It's hardly worth the time  
If only the beat is fine  
It's like fire, let's take it up  
Just a little higher  
And just a little higher hey hey

One for the money  
(Two for the show) Well Well  
Three to get ready  
Let yourself go  
I'm tellin' you  
One for the money  
(Two for the show)  
Three to get ready, let yourself go go go

Let's get on down Heeeeyyyyyy baby  
Get on down

One for the money, well well  
Two for the show  
Three to get ready  
Hey, hey  
Aaaaaah  
Oh, come on now  
Three to get ready  
Let yourself go, go go

Get on down  
Get on down  
Just get on down  
Everybody party  
I only wanna dance  
Come on, come on  
Ah, well well hey hey

One for the money  
Two for the show  
Again, I, again, and hey  
Come on, party down, party down, party down  
One for the money  
Two for the show  
Three to get ready... fades
