Don't change your hand for me  
Not if you really care

I'll always think of you  
Inside of my private thoughts  
I can imagine you  
Touching my private parts

With just the thought of you  
I can't help but hold myself  
That's why I want you so bad  
Just one night of

Moonlight, with you there beside me  
All night, doin' it again and again  
You know I want you so bad  
Baby, baby, baby  
Baby, baby, baby, baby

Ooh, I get so high  
When I'm around you baby  
I can touch the sky  
You make my temperature rise  
You're makin' me high  
Baby, baby, baby, baby

Can't get my mind off you  
I think I might be obsessed  
The very thought of you  
Makes me want to get undressed

I wanna be with you  
In spite of what my heart says  
I guess I want you so bad  
All I want is

Moonlight, with me there inside you  
All night, doin' it again and again  
Baby, you know I want you so bad  
Baby, baby, baby  
Baby, baby, baby, baby

Ooh, I get so high  
When I'm around you baby  
I can touch the sky  
You make my temperature rise  
You're makin' me high  
Baby, baby, baby, baby

I want to feel my heart and soul inside of you  
Let's make a deal, I'll roll you, lick  
And we can go flying into ecstasy  
Oh darlin' you and me, light my fire, blow my flame  
Baby let me take you away, take you away

All I want say is

Ooh, I get so high  
When I'm around you baby  
I can touch the sky  
You make my temperature rise  
You're makin' me high  
Baby, baby, baby, baby

Ooh, I get so high  
When I'm around you baby  
I can touch the sky  
You make my temperature rise  
You're makin' me high  
Baby, baby, baby, baby

Ooh, I get so high  
When I'm around you baby  
I can touch the sky  
You make my temperature rise  
You're makin' me high  
Baby, baby, baby, baby

Ooh, I get so high  
When I'm around you baby  
I can touch the sky  
You make my temperature rise  
You're makin' me high
