Come undone
Be the sport that you are
Be something thats gonna be hot

Kiss a cheek
throw a smile to some one else
It's gonna be your turn tonight

uhh... make the kill and take No Prisoners
as you tell it to the rest of the world
uhh... make the kill and take No Prisoners
as you make them fell all of your love

Touch a chin
Be the sport that you are
Be a friend to someone like me

Kiss a cheek
Give a smile to someone you hate
Cause someday it's gonna be your turn

uhh... make the kill and take No Prisoners
as you tell it to the rest of the world
uhh... make the kill and take No Prisoners
as you make them fell all of your love

uhh... make the kill and take No Prisoners
as you tell it to the rest of the world
uhh... make the kill and take No Prisoners
as you make them fell all of your love
