I rest my Case  
I'll lead my words out to the door  
I'll swallow my tounge  
Down my trough it goes

This is what i have to give you  
this is all that i have to give  
This is what i have to give you  
This is all i have to give

I'll zip my mouth  
I'll stitch it with up  
with barbed wire wires  
I'll crawl on my knees  
Until the traces of blood they stop.

This is what i have to give you  
this is all that i have to give  
This is what i have to give you  
This is all i have to give

you've given me everything  
The years have made their marks on you  
I've held you hard  
Almost as hard as  
horse should be held

This is what i have to give you  
This is all i have to give

This is what i lay before you  
Take it it all or let it be

This is what i have to give you  
This is all i have to give

This is what i lay before you  
Take it it all or let me be

uhhh...
