Waterline

We were always down by the waterline
Steering at the fish in the sea
We didn't know how we should catch them then
We didn't know what bait we should use

The water is clear
And the fish are jumping
The bait is good
And i wanna pull in
Ohh baby
I'm pulling you in now

The water is clear
And the fish are jumping
The bait is good
And i wanna real in
Ohh baby
I'm pulling you in now

Then we travelled all over the world
and there we found ourselves steering again
Complications seemed to disappear
We were pulling them in endlessly

The water is clear
and the fish are jumping
The bait is good
And i wanna pull in
Ohh baby
I'm pulling you in now

The water is clear
and the fish are jumping
The bait is good
And i wanna real in
Ohh baby
I'm pulling you in now

Then we came back to our WATERLINE

Tired of playing the same old game
We tried to catch the last and difficult one
Patience was on trial reeling it in

The water is clear
And the fish are jumping
The bait is good
And i wanna pull in
Ohh honey
I'm pulling you in now

The water is clear
And the fish are jumping
The bait is good
And i wanna real in
Ohh baby
I'm pulling you in now
