I need you to tell me the truth
please tell me how you fell
It's true it's most important to me
It don't work for me no other way

It's a matter of trust
It's the way it's gonna be
It's the words you say that counts
It's a matter of trust
It's the way it's gonna be
It's the way you say those words

Please don't, tell me anymore lies
And don't forget what you just said
Cause i've got a sticky kind of mind
and it don't forget what you say

It's a matter of trust
It's the way it's gonna be
It's the words you say that counts
It's a matter of trust
It's the way it's gonna be
It's the way you say those words
