Are you lonely, feeling no one's on your side?  
Are there things you think you need to hide?  
I've been with you, waiting from the very start,  
For you to open up your heart.

I will give you back the wasted years.  
With my hand, I'll dry your tears.  
I will give you all that you will need.  
Will you give your life for me?

Are you hurting? Will you let me have your pain?  
Let me wash away the guilty stain.  
I am waiting for you to call my name.  
Then you will never be the same.

I am the door to Heaven.  
Why would you wait another day?  
How could you say tomorrow,  
When I'm asking you today?

I will give you back your wasted years.  
With my hand, I'll dry your tears.  
You will never be alone again.
