

Whitecross "Love on the Line"

Visit "[Love on the Line](#)" on MotoLyrics.com

Caught in the middle
Your heart's been burned
your only love has walked away
The page is turned
You feel your back is breaking
From the weight of the emptiness
Hot tears are running down
Your countenance

But Jesus carried your sorrows
And your grief he has known
His love for you has no limits
He wants to call you his own

So reach out for love on the line
Reach out for love on the line

Though your heart is darkened
Hope's faded away
The Lord will pick up the pieces
He'll show you the way
And through the valley of shadow
He'll give you light for the road
So lay down your burden
He's already shouldered the load
