When it all seems so sure
It's all just crystal clear
When it's all understood
You've done all that you should

When you feel like you're strong
When ya know you belong
When the obstacle's gone

Under thunder
Refuse to lose
He's already paid all of your dues.
Begin to hate sin
Refuse to lose
It's time to break through the blues.

On the day that I first met you
I was living a lie
But the way that you carried me through
Was like walking out of the night.

Now I feel like I'm strong
Now I know you belong
Now the obstacle's gone.

Under thunder
Refuse to lose
He's already paid all of your dues.
Begin to hate sin
Refuse to lose
It's time to break through the blues.

Like a diamond ring
Doesn't mean a thing
What's ya problem boy?
It's just another toy.

Always looking back
At what's already done.
If you take his hand
You've already won
