Another day, another dollar in my hand.
Working hard to make it, I give it all I can.
I got a lot of dreams, and a long way to go,
But I know that God provides, if I pray and let him know

'Cause I'm a simple man, and I love the Lord.
I know that He'll provide my needs.
Yes I'm a simple man, and I love the Lord.
His love is everything to me.

There's a house on the corner, with a light I can see,
And standing in the door is the only girl for me.
The reason that she loves me, and we walk hand in
hand
Is because I'm a Christian, and we both know where we
stand.

I'm a simple man, and I love the Lord.
We know that He'll provide our needs.
Yes I'm a simple man, and I love the Lord.
His love is everything to me.

And there's a few things that I'd like to say to you.
There still is one thing that I need.
Someday, when the end of my road has come,
I hope to see my Lord say "Thanks for a job well done."

Now if you see my life as happy as can be,
The mystery is not so hard. It's a gift, and it's free.
This gift is in a book my Lord wrote for me.
You can have it too, and then you will see

Why I'm a simple man, and I love the Lord.
His gift is everything I need.
Yes I'm a simple man, and I love the Lord.
His love is everything to me.
