Sail the winds of time  
See your life as it unwinds  
Hold up the looking glass  
Look inside and see the past

If not a word was said  
Did they see Him in your head  
If His name was never heard  
Through your life did they wanna learn?

Oh, did His love show  
Oh, did anybody really know?

The only Jesus they'll ever see  
Is the One in you and me  
The only Jesus they will know  
Is the One that lives inside our souls

Been too much wasted time  
Look in your heart, I'll look in mine  
We all want what's real  
But sometime's it's so hard to feel

Oh, I see the world out there  
Oh, it takes someone who really cares

The only Jesus they'll ever see  
Is the One in you and me  
The only Jesus they will know  
Is the One that lives inside our souls

Not what we say but what we do
