Jealousy
Modesty
Tests in biology
Milk curds
F words
Telling someone they're a nerd
Cocaine's insane
Getting high wrecks your brain
It's a dumb thing to do
Along with
Getting drunk
Being dumb
Trying hard to fall in love
Skinny jeans
Heresy
Too much popularity
Cheating
Tweeting
Overeating
Blame game
Zits
It's all lame

I'm not holier than you
I just can't stand these things we do
And to me it's all the same
It's just lame

Work
Stress
PMS
Bending over in a dress
Dirty dancing
Always glancing at the boys
Wait
Smelly shoes
Bad news
Summer school
Not cool
But it's a good thing to do

I can't stand:
Artichokes
Egg yokes
Vegiemite on burnt toast
Cellulite
Bug bites
Guys who wanna pick a fight
Speeding
Bleeding
Trick or treating
B.O
Zits
It's all lame

I'm not holier than you
I just can't stand these things we do
And to me it's all the same
It's just lame

But I'm not holier than you
I just can't stand these things we do
And to me it's all the same

Lame [x5]

Road rage
Bad grades
Shaving with a dull blade
Stubbing toes
Yellow snow
Static on the radio
Rug burns
Wrong turns
Studying for midterms
But it's a good thing to do

I can't stand:
Itchy eyes
White lies
Being forced to say goodbye
Horse flies
Fake cries
Stale fries
Super size
Dating
Waiting
Overstating
I hate zits
It's all lame!

I'm not holier than you

I just can't stand these things we do
And to me it's all the same
It's just lame

No, I'm not holier than you
I just can't stand these things we do
And to me it's all the same
Lame!
