If I could take this wave to sea,
Do you think that we could sail out in the night,
We must let no one know
So maybe if we go, we'll go unseen,
Passing below the ripples, heed the seashells of the storm,

Chorus:
And we'll swim, knowing they can't touch us,
We'll swim, knowing they can't touch us

If eyes could stop their rumored lies
D'you think that we could venture to the light?
I'd even play my violin,
Scratching on the strings, a laughing joy
I don't want to be that crashing wave,
but I'll give it one more try,

Chorus:
And we'll swim, knowing rain can't touch us
We'll swim, knowing rain can't touch us
We'll swim, knowing rain can't touch us
We'll swim, knowing they can't touch us

And I'll shelter you from harm
And my love will keep you warm
Until all these fears have gone!

Chorus:
And we'll swim, knowing rain can't touch us
We'll swim, knowing rain can't touch us
We'll swim, knowing rain can't touch us
We'll swim, knowing they can't... touch us

Let me swim, let me swim,
let me swim, let me swim into the coast,
Breathe easy,
Let me swim, let me swim,
let me swim, let me swim into the coast,
Breathe easy!
