LEZBO" by SKREEE!

Behind every good man

there's a woman

and behind her

there's a LEZBO!

Plying her trade

with velvet whispers

joined in lust

they're siamese sisters

What's your preference, a slurpee or big gulp?

sit on a happy face

Midnight mass for an underground love cult

everything falls in place

Therapeutic overdrive

barely manage to stay alive

going in for one last dive

Tide comes in

nothing can hold her

reach the plateau

her cup runneth over

Time to go, to face the day

she writes a check and she's on her way

a loving housewife once again

she's thinking of her newfound friend

Dinner cleared off from the table

she's not willing, but she's able

with him in bed it's not enough

she's dreaming of some midnight muff
