My baby's on the level
I try to read her mind
She's on the straight and narrow
I'm guessing all the time

But I can't see the road
If I'm looking at the signs
I'm carrying a load
And stepping out of line

My baby's on the level
(My baby's on the level)
And I try to read her mind
(And I try to read her mind)
She's on the straight and narrow
(She's on the straight and narrow)
And I'm guessing all the time
(And I'm guessing all the time)

Oh well how can I see the road
(Oh well how can I see the road)
If I'm looking at the signs
(If I'm looking at the signs)
I'm carrying a load
(I'm carrying a load)
And stepping out of line
