Find yourself a girl, and settle down
Live a simple life, in a quiet town

Steady, as she goes
(Steady, as she goes)
Steady, as she goes
(Steady, as she goes)
So steady, as she goes

Your friends have shown a kink in the single life
You've had to much to think, now you need a wife

Steady, as she goes
(Steady, as she goes)
So steady, as she goes
(steady, as she goes)
Well here we go again
You found yourself a friend
That knows you well
But no matter what you do
You always feel as though you tripped and fell
So steady, as she goes

When you have completed what you thought you had to
do
And your blood's depleted to the point of stable glue
Then you'll get along
Then you'll get along

Steady, as she goes
(Steady, as she goes)
So steady, as she goes
(Steady, as she goes)
Well here we go again
You found yourself a friend
That knows you well
But no matter what you do
You always feel as though you tripped and fell
So steady, as she goes
Steady, as she goes

Settle for a world, neither up or down
Sell it to the crowd that has gathered around
Settle for a girl, neither up or down
Sell it to the crowd that has gathered around

So steady, as she goes
(Steady, as she goes)
Steady, as she goes
(Steady, as she goes)
Steady, as she goes
(Steady, as she goes)
So steady, as she goes
(Steady, as she goes)
Steady, as she goes

Are you steady now?
Steady, as she goes
Are you steady now?
Steady, as she goes
Are you steady now?
Steady, as she goes
Are you steady now?
Steady, as she goes
