Voice your choice
Voice your choice
Voice your choice
Tell me who do you love

Am I the one, oh
That you're thinkin' of
You know you look so good
Oh, it's really a crime
For just one girl
Yeah, to be so fine
You've got all the boys
Standing in line
Tell me who do you love, girl
Make up your mind
Make up your mind

Voice your choice
Tell me who do you love
Am I the one, oh
That you're thinkin' of

You know Jim, he's sincere
Oh, and Joe, he's fun
Johnny's nice, yeah, but is he the one?
Then there's me, who's last but not least
So come on now, girl, and speak your piece
Speak your piece

Voice your choice
Ooh, tell me who do you love
Voice your choice
Ah, girl, yeah
Voice your choice
Ooh, girl, yeah

Tell me, girl, what you're gonna do
And tell me what I am trying to prove
Girl you don't need two, no when one will do
So come on now, say it's me and you
Me and you

Voice your choice
Ooh, tell me who do you love
Voice your choice
Ah, girl, yeah
Voice your choice
Ah, girl, yeah
Voice your choice
