If you were mine
I'd give you all the world
If you were mine
I'd take you higher girl

But you got me waitin'
Oh, you're so cold

Give me time
And time is all we need
For God knows I've tried
I've tried to get you close to me

But tonight
When my eyes are closing
You will be with me

Just let me be, let me believe you're mine
'Cause there's nothing wrong here
I'm just living, living in a dream

Without a sign
You brought me to my knees
Without a sign
I crossed the line, I beg for sleep

But tonight
When my eyes are closing
You will be with me

Just let me be, let me be me, you're mine
'Cause there's nothing wrong here
I'm just living, living in a dream

Just let me be, let me believe you're mine
Just let me be, let me believe you're mine
'Cause there's nothing wrong here
I'm just living, living in a dream
